

Dear sir,

Lami Corporation is pleased to announce our new laminating machine Revo14 at the Paper World 2008 to be held from January 23 to January 27 in German Messe Frankfurt.

Revo14 is a full auto operated laminating machine from inserting scripts to cutting 4 edges.

Please visit our website for details about our new product.

We have arranged to demonstrate Revo14 at our booth so that you may have a chance to see them how to work.

Our booth is located in the Hall 4.1 and booth number is L80.

Our sales staff will be in the booth throughout the exhibition to handle any inquiries.

We look forward to seeing you at our booth.

With best regards

Akira Okuno , president
